

# ALPHABET PAGES

YEAR 1

# ALPHABET BOOK PAGES

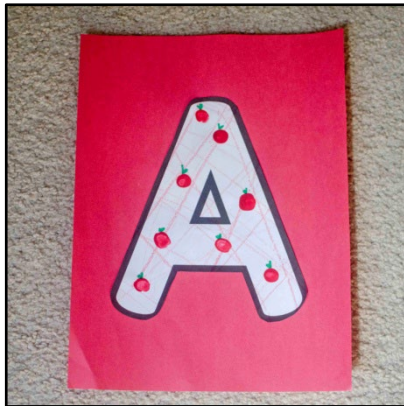

Here are the alphabet letter pages for Playing Preschool Year 1. You can find more information about these pages in the Start-Up Guide.

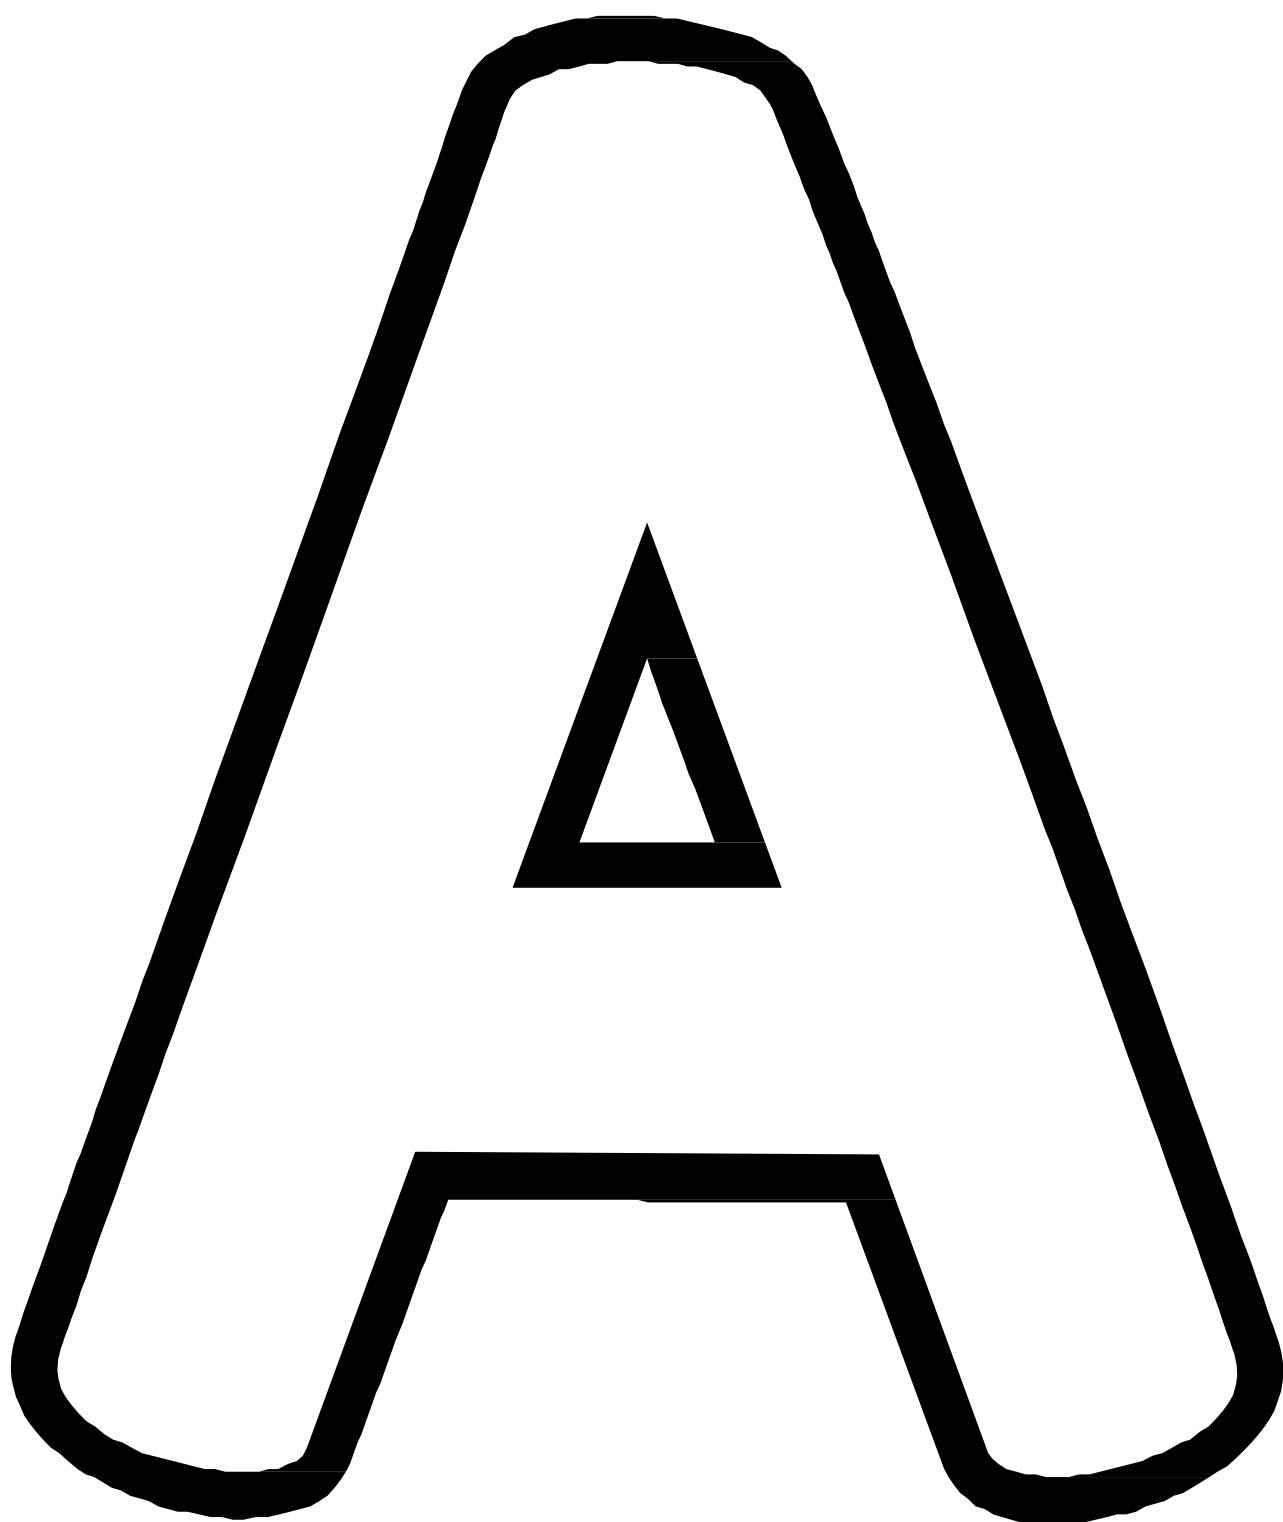

## But really quick....

These pages will be used throughout the year to build your child their very own alphabet book. By the end of Unit 19, your child will have a portfolio of alphabet crafts that they created throughout Playing Preschool. It's a great keepsake.

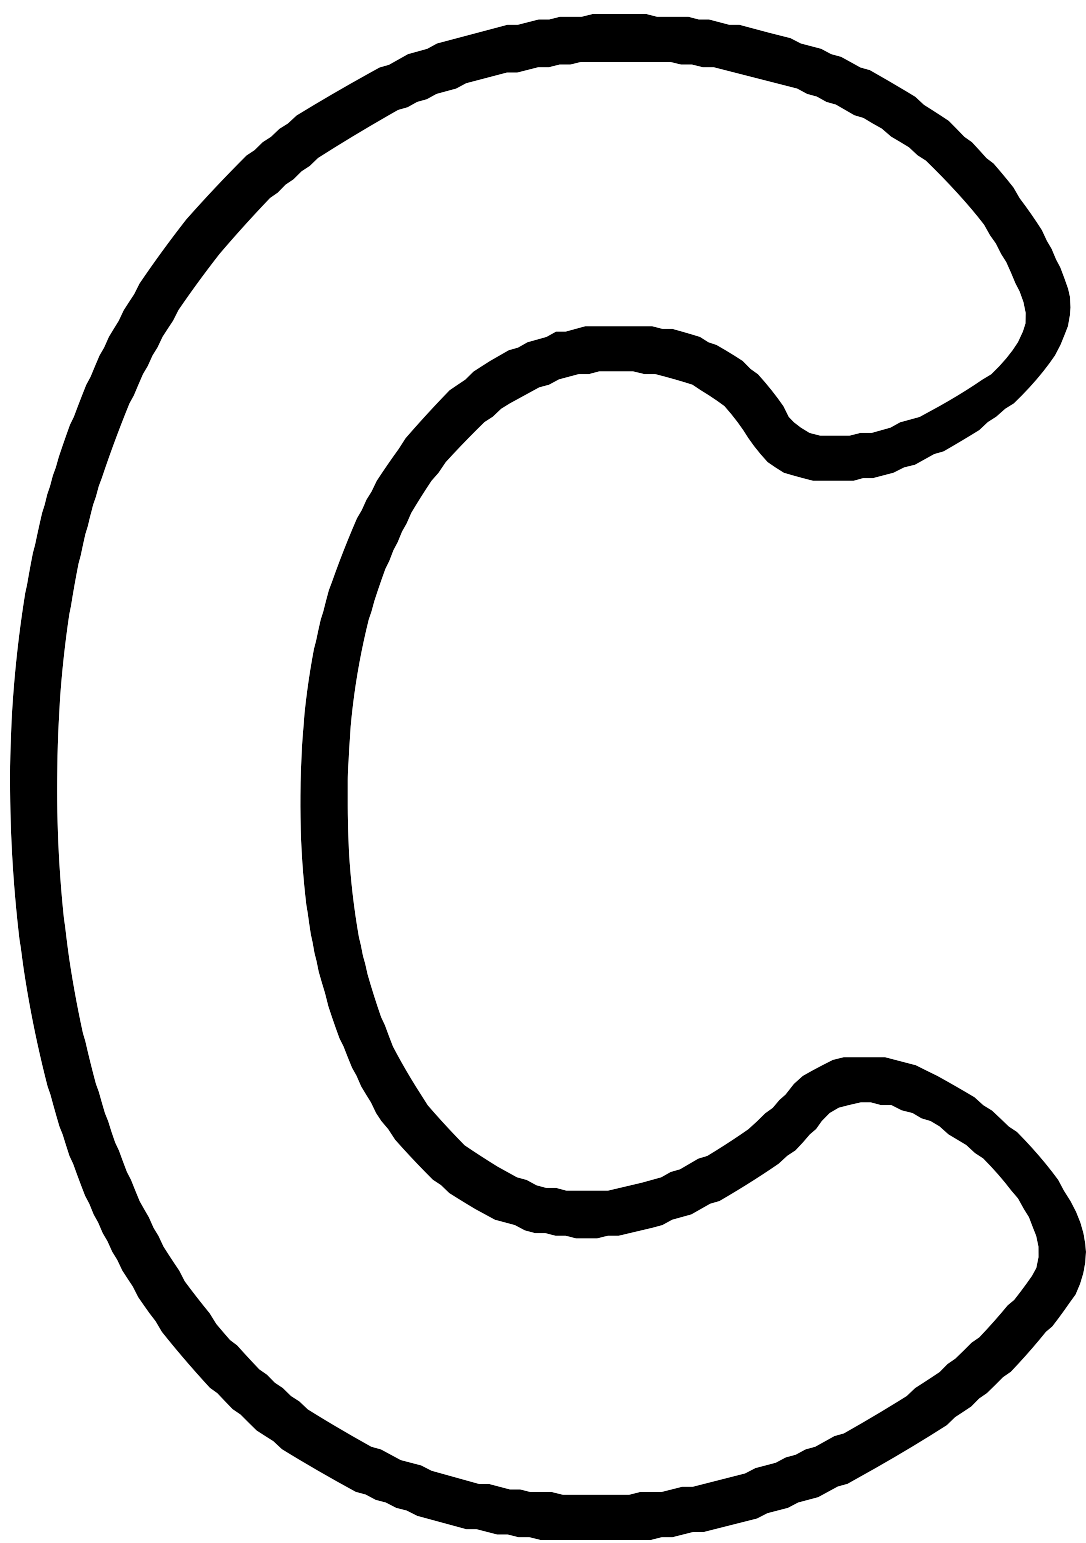

- Print these pages out – you'll need one copy for the year.
- There's a title page at the end to use for the book's cover.
- Remember there's more information in the Start-Up Guide.

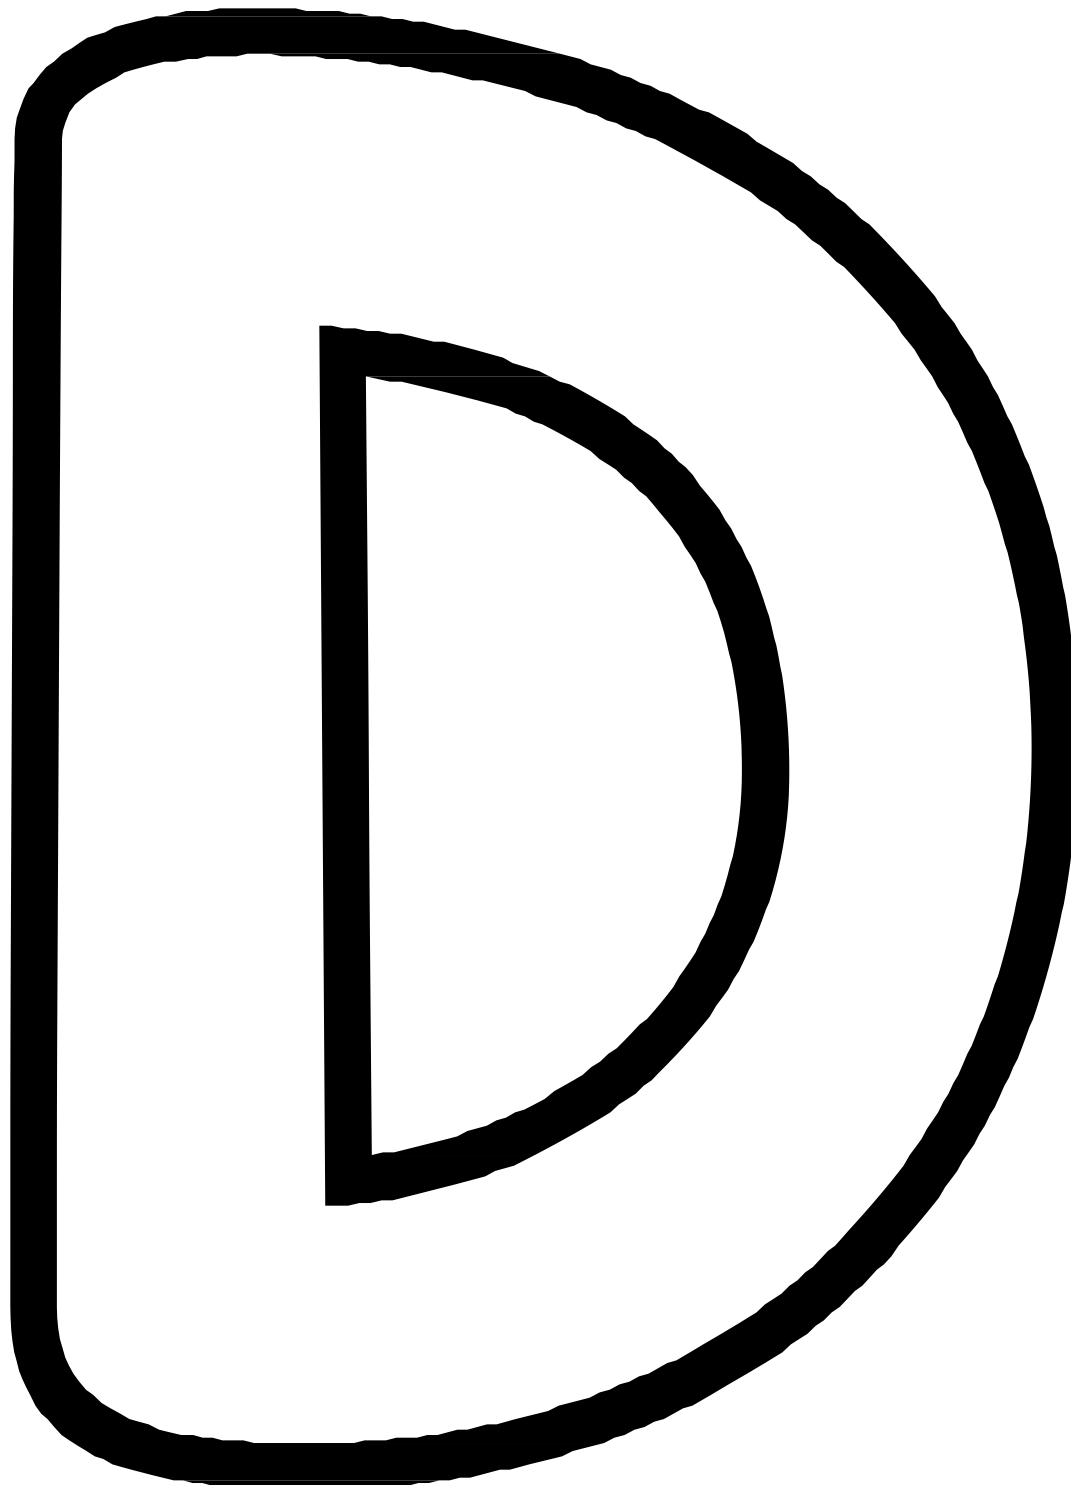

Have fun and happy learning!  
Susie
